Please Note: During the Holiday Season, many residents and family members want to show their gratitude to our staff. Our policy prohibits staff from accepting individual gifts. In lieu of individualized gifts, our Manor resident council for both Healthcare and the Apartments accept cash donations to the Staff Christmas Fund from all residents and/or family members wishing to contribute. These funds are equally distributed among all Manor employees. If you would like to contribute to the Staff Christmas Fund, a donation box is available at the front office or you can give your donation to Wilda Buffo. Please make checks out to Resident Council. Thank you.
